### WICHITA RED SOX COMING

Next Sunday, Monday and Tuesday will see Clayton in one of the fastest series of base ball games that has been played on the Clayton diamond this season. This will be one of the fastest teams that Clayton has gone up against this year. This is one of the all-star teams of Kansas. Let everyone come and help beat them out of at least two of the three games if not the full three. Don't forget the dates: September 10, 11, and 12.

## DEMOCRATS NOMINATE WINNING STATE TICKET

Every Man, One of Ability and an Exponent of Efficiency, and Better Government

The State Democratic Convention in session at Santa Fe since Wednesday, nominated the following ticket Friday: The same ticket was nominated and endorsed by the progressive convention, also in session at Santa Fe:

Governor  
**E. C. de BACA**  
United States Senator:  
**A. A. JONES**  
Congressman  
**Wm. B. WALTON**  
Lieutenant Governor  
**Wm. C. McDONALD**  
Secretary of State  
**ANTONIO LUCERO**  
Treasurer  
**H. L. HALL**  
Corporation Commissioner:  
**BONIFACIO MONTOYA**  
Attorney General  
**HARRY L. PATTON**  
Superintendent Public Instruction:  
**J. L. SWINNEY**  
Commissioner Public Lands:  
**G. A. DAVISON**  
State Auditor  
**MIGUEL A. OTERO**  
Justice Supreme Court:  
**NEIL B. FIELD**  
Presidential Electors:  
**FELIX GARCIA**  
**JAMES N. UPTON**  
**JOSE G. CHAVEZ**

The big surprise of the convention was the naming of Governor Wm. C. McDonald for Lieutenant Governor. It is believed that this is the only case in the United States when a governor and lieutenant governor nominated and elected on the same ticket at a former election, have been renominated at the next convention, but with their positions reversed. Governor McDonald absolutely refused to accept the nomination for governor because of thearduous duties of the office from which he wished to escape, but accepted the lieutenant governorship, because the duties are light and pleasant, and as a consideration to the people and his many friends who demanded that he have a place on the ticket.

Representative citizens of the state capital pronounce this the best ticket ever nominated in New Mexico. Great care was exercised in choosing it, the convention working through three days, making the selections: and republicans, progressives and democrats predict its success by the largest majority ever recorded in New Mexico.

Hon. Arthur Seligman of Santa Fe was chosen chairman of the State Democratic Central Committee, and will direct a vigorous campaign.

### Prize Winners

The prize winners in the ticket selling contest for the Franciscan Sisters benefit were: First, Miss Mary Garcia; Second, Miss Andreita Gonzales; third, Miss Margaret Salazar. The benefit was a great success, both in an entertainment and financial way.

### Kiker For District Attorney

Santa Fe, Aug. 31.—H. A. Kiker of Baton, was this morning nominated for district attorney in the Eighth Judicial District by the delegates to the Democratic state convention from the counties composing that district, which are Colfax, Taos, Union and Quay.

He defeated E. F. Saxon of Tucumcari, by a vote of 29 to 12. Saxon polled only the nine Quay county votes and the three votes from Taos county. When the result was announced Quay county made the nomination of Kiker unanimous.

Kiker will oppose O. L. Phillips the candidate for district attorney nominated by the Republicans of that district last week.

### OREN BEATY WRITES ON FAIRS

The time for fairs will soon be at hand and every one should make plans to take part in these events, whether they be County, State or National. Fairs should be educational above all things and in order that they may be so it will be necessary for every one to bring their best exhibits and attend the fairs themselves. The exhibits will be judged on their market value or on the type of produce the market demands. In selecting your exhibits keep this in mind and do not always pick the largest or freaks but pick good smooth marketable products. After prizes have been awarded, visit the exhibit hall and take note of where the ribbons are placed. This will give you an idea of what type the markets demand and where your exhibits lost out or won. Then return home and try to grow the type demanded. When the stock is being judged listen to what the judges have to say. Find out why he places the ribbons as he does and why he turns down other animals. By this method you will learn the type of animal demanded and then strive to grow that kind.

Union county aims to make an exhibit at the State Fair and a booth 12 by 30 feet has been set aside for us in the exhibition hall at Albuquerque. Let every one prepare and bring in the best grain, fruit and vegetables you have and let us fill this booth with a creditable exhibit. Then any Union County visitor at the Fair will be proud to claim Union County as his home and will not be ashamed to go look at the booth. There will be \$1000 for the best; \$500 for the second best and \$250 for the third best county exhibit at the State Fair. Get a State Fair premium

list and see what is desired for this exhibit and bring everything you have to the County Fair. The best exhibits at the County Fair will be sent on to the State Fair and be placed on exhibition there. If everyone does their share Union county will win one of the prizes.

From the State Fair the best exhibits will be sent to the International Dry-Farming Congress to be held at El Paso. They will be placed on exhibition with exhibits from every dry-farming section in America. This will be a good way to advertise our county. People from all parts of the world will attend this Congress and if we have a creditable exhibit they will be attracted to the possibilities of Union County and will come here to make homes.

Anyone having exhibits they would like to send to the Dry-Farming Congress can have same at my office in Court House. Write name and address plainly on package and if you can not bring it in yourself send it by someone. If you will bring in information as to cultural method, rainfall and yields. I will assist you in preparing charts stating these things. This adds to the educational values of fairs.

The Union County Fair will be held in Clayton, September 19, 20, 21, and 22, and every citizen should bring exhibits and attend the fair.

ORREN BEATY,  
County Agriculturist
